**2. STATUTORY CONDITION - "THE DEFENDANT SHALL NOT POSSESS A

We received notification from the U.S. Probation Office in the District of Massachusetts indicating that Mr. José L. The complaint describes an altercation with a pedestrian crossing a street, while the offender was a passenger in his uncle's vehicle, allegedly driving towards the a local social security office. The complaint alleges that Mr. Piereti grabbed a metal pipe and a knife from inside the vehicle to scare away the pedestrian. He was released on bail and continues to be supervised in the District of Massachusetts. The disposition hearing is pending this coming July.

In addition, and based on his mental health history documented in his pre-sentence report, we understand that Mr. Piereti's supervised release conditions should be modified to include mental health services.
